Does this structure contain Hazardous Waste Contamination? No Yes (Please include hazardous material inspection report for commercial structures only) List all hazardous materials and disposal method: _____

The permit holder is responsible for notifying each utility company before demolition. All utility lines must be identified and flagged. **Kansas One Call** is a free service, please call 811 or 1-800-DIG-SAFE (1-800-344-7233) or www.kansasonecall.com. Other utilities may include water - Paola City Hall (913) 259-3600, sewer - Paola Public Works (913) 259-3620, Kansas Gas Service (800) 794-4780, and Eergy (888) 471-5275. You may also be required to contact any telephone, cable, or internet service providers in your area.

Remove all floors, foundations, footing, basement, and retaining walls down to 18 inches below grade. Demolition debris must be removed from the site and delivered to a licensed landfill or recycling facility. Fill excavations and other cavities with clean fill material. All permanent site stabilization, erosion, and drainage controls must be in place before final approval is granted.

I hereby affirm that the information contained herein is true and correct to the best of my knowledge and agree to conform to all the regulations of the City of Paola covering this type of permit. I understand failure to comply with these provisions may result in the revocation of the permit.

Applicant Signature

Date

Permission for described work is granted by:

Building Inspector Signature

Date

Permits issued for the moving or demolition of a building or structure shall expire sixty (60) days after the date the permit was issued. An extension of time to complete the moving or demolition of a building or structure shall not be granted. Before work may commence, recommence, or continue after expiration, a new permit shall first be obtained by the permittee and a new full permit fee shall be paid therefore. All work requiring a permit shall be suspended upon the expiration of a permit.
